

The soul is eternal / Testimony.

I have good news for you for all of us!

Whatever we ask the Father in His name, Jesus says we will receive it.

It is the truth and it is permanent, Jesus always says the truth he is the prince of truth and what he undertakes to do he always does.

If we ask and do not receive, for me I see only two reasons for that and the problem comes from us, not from God, because he always holds what he promises! This is either 1st: because we leave the context of this promise or 2nd that we do not wait to receive what we ask.

Take Jaques 4 verse

1. *Where do the conflicts and quarrels come from? Are not selfish desires constantly fighting in you?*
2. *2. You covet many things, but your desires remain unfulfilled. You are murderers, you are consumed in jealousy, and you can not get anything. You fight and you argue. You do not have what you want because you do not ask God.*
3. *3. Or, when you ask, you do not receive, because you ask with bad motives: you want the object of your requests to serve your own pleasure.*

When Jesus tells us what you are asking in my name! It is a request that is obligatory in the sense of honoring God and not in order to satisfy our pleasures.

I give you two small testimonials, but I have dozens like these:

Once I made this request to God. I would like to have an apartment in exchange for taking care of 2 horses, so I would not work to pay the rent and that would give me time to evangelize. I wish there was an exit that went directly from the kitchen to the stable so as not to have to go outside to look after the horses when it was cold or raining and another exit directly from the kitchen outside for not having to go into the stable to go out in town, so as not to feel the horse in my meetings. I would like two rooms with a fireplace upstairs with beautiful windows. A lady much more capable than me to do this work answered the annones, but it was me who was chosen. And only after I remembered my prayer.

God gave me details because I stayed in context; My request was not only to please me, but also to do the work of God. Whatever we ask the Father in his NAME!

4. *Adulterous people that you are! Do not you know that to love the world is to hate God? If someone wants to be the friend of the world, he becomes the enemy of God.*

The world and its greed goes on God is eternally alive! We can not love what the world does and God does! It is opposed and we will receive from him whom we love: either from the world the corruption, or from God the blessing, already here below and the eternal life

Another time I asked:

1. I would like to have a piece of land to put the work equipment on and I could
2. build a small house to do repairs on my vehicles and others. It would give me more time to announce the good news of the gospel. Because I always repair at friends who lend me their garage, after that I also have to give them a service and it's twice as busy.

3. Since I do not have money it would have to be in an artisanal area where the land is cheap.
4. I would like, at the end of the area without screws for life, so that I do not be bothered by the neighbors.
5. It would be nice if it was on the edge of a wood.
6. It would be nice if there was a small river at the bottom of the wood.
7. I wish there was an unobstructed view on one side.
8. Why not a view of Geneva.
9. And why not the view of the lake. I received all this in great detail, about 5 years after my request, when I could not remember my request. God is faithful to his word and it is he who searches hearts and who remunerates those who hope in his goodness! For two years another tenant of the artisanal zone surely millionaire, did everything to have the ground and placed all kinds of sticks in my legs. But when I received it I walked on it and it was only there, that I saw the lake and that I remembered my request. God does everything good in his time! This land is located only 400 m from where I rent a flat.
God is faithful and good. Today do not harden your heart; Seek God, for He is rewarding those who seek Him. We can talk about it. 0033695490967. Or leave a comment on the site. Be blessed !!!
